

# Our Vision... Our Dreams

Our vision is to be a church that Loves people the way Jesus loves people, and to have a compassion to reach out to people the way Christ reaches out to people, and to accept people the way Jesus accepts people.

- Our vision is to provide a place of healthy spiritual growth where lives are developed at every stage of life using the leadership of the Holy Word of God.
- Our vision is to provide a place of restoration for those hurting, depressed, frustrated, and confused, so that they may find love, help, hope, forgiveness, guidance, and encouragement.
- Our vision is to provide a place that adds strength to families and the home.
- Our vision is to spread the Gospel to our community, then our surrounding counties, and then to the world through local and global missions.
- Our vision is to disciple individuals to explore and discover their spiritual gifts and abilities that God has imparted to them, so they can fulfill the plan God has for them within the church, the community, and the world.
- Our vision is to be a church that **walks** in the light following the footsteps of Christ into **Authentic Christianity**.
- Our vision is to raise up spirit-filled believers that will minister to their families, their communities, and to each other in the body of Christ.
- Our vision is to do everything as unto the Lord with integrity and with a spirit of excellence. Excellence for Christ must be the motive.
- Our vision is to be a church that reaches out to ALL and exhibits the “fruits of the spirit”, and follows the leadership of the Holy Spirit for direction in ministry and our daily lives.
- Our vision is to make knowing Christ intimately a priority in our daily lives.
- Our vision is to be a church that take the timeless truths of God's Word and make them applicable through our current culture. Never compromising God's Word, but teaching it in a way our current generation can understand. The message is always sacred, but the methods can change.
- Our vision is to be a church that continually seeks to grow until all are saved, baptized, and dedicated believers. We believe where there is life there is growth.

We have a vision of a church where people are free to be real and do great things for God; where worship services are exciting and life changing; where taking risks for Christ is exalted; where creativity, relevancy, and innovation are welcomed and not feared; where all kinds of people are nurtured in the faith to become all God has planned for their lives.
